Quality assured  
British design

Your Partner for  
**Sustainable Litter Management**

The Helping Hand Company is the world's largest manufacturer and supplier of Litter Clearance Hand Tools & Systems. Our award winning business, based in Herefordshire UK, has been providing our customers with quality assured cleansing solutions since 1965.

Our catalogue presents the most comprehensive range of litter clearance tools and the latest innovations; providing you with the right tool for the right application.

As your tried and trusted supplier for the last 50 years, our expertise in the field of litter management guarantees our tools against any other in the marketplace for quality, improved productivity, safer handling and sustainability.

Whilst our products help to achieve the end result of a cleaner environment, our business embraces and supports worldwide anti-litter campaigns that are both immediate and continual – **something we are award winning for.**

Litter clearance tools and systems for every location, application and budget.

## Precision pick up everytime!

The ultimate in excellent pick up on any surface, indoors and out! The versatile **Streetmaster Pro** grips the smallest item of litter and is perfectly shaped for larger items such as bottles.

- Dual moving jaw and 90° rotating head allow for precise litterpicking even in awkward areas
- Reflective features increase visibility in poorly lit locations
- The smallest member of the range is the **Tidy Jon Pro** - ideal for janitorial cleaning and use in confined areas

Whichever you choose; you'll have a cleansing companion for life

# HANDISCOOP PRO

## Nasty jobs made easy, The world's best poop scoop

With over 8 million dogs in the UK, we should be more responsible for our pets and considerate to our environment, both home and away.

- Hygienic pick up on any surface (grass, sand, gravel, cement, lawns, patios)
- Preload upto three bags before you go
- Shorter, portable option for long walks. Longer option for those with back problems

Can be used with or without our biodegradable poop scoop bags.
